

SAMARTH GIRISH GUDHATE

📞 7028739473 | ✉ samarthgudhate18@gmail.com | <https://www.linkedin.com/in/samarth-g-02050237a/> | Solapur, Maharashtra

Profile

Machine Learning & skilled in, Java, C++. Experienced in Cloud Computing, and Data Analysis. Capable of building high-quality systems through deep knowledge and expertise. Still learning and improving. Ready to tackle challenges efficiently by upcycling ideas into innovative solutions.

Skills

- Languages: Python, Java, C/C++
- Frameworks: TensorFlow, scikit-learn, OpenCV, MediaPipe
- Tools: Jupyter Notebook, Anaconda, Git, GitHub
- Other: Data Preprocessing Visualization Augmentation(Matplotlib) & Cleaning(Pandas), Model Evaluation, PowerBI, Cloud (AWS)
- AWS EC2 (Elastic Compute Cloud) Launching And Managing Virtual servers

Projects

- Deploying ML model On Cloud
- Created Interactive Dashboard On Industrial Data By Applying Technical And Analytical Knowledge Designing Implementing On Dashboard
- Developed Medical Application Integrated AI In The Application Efficient Backend In Python Using Pydantic, Fast API and SQL Alchemy
- Developed And Tuned Multiple ML Models With SK Learn (Scikit-learn)

Education

Diploma in Computer Engineering– [SVIT, Solapur], Year of Passing: [2026]

Certifications

- Machine Learning, PowerBI, Cloud(AWS) (Shri-vidya info TECH)
